YOU MADE

PUT ASIDE FOR TAX

Running total this year: £427

Estimate — company tax at 19% on what you've made so far this year.

£63**THE ONE THING**

You made 10p in every £1 in July, down from 20p in June. Money in was £2,058 lower — a quieter month for brokered events — while software spend rose to £465 from £173, most of it AI tools. Worth checking which subscriptions are earning their keep before August's bills land.
